community builders breakfast

letter from our president and ceo

Linda B. Saturno
President & CEO

Henderson County Habitat for Humanity will host its first Community Builders Breakfast event on Friday April 21st at 7:30 am

On April 21st, Henderson County Habitat will hold our first Community Builders breakfast. This event allows us to share with the people of our community not only the success we have had over the last 30+ years but, more importantly, how that success has helped over 250 families go from renting unaffordable, crowded, and substandard living spaces to realizing their dream of owning their own home.

We hope you will consider sponsoring our event. All event proceeds will help us continue serving our mission of building homes, community, and hope.

Linda B. Saturno

President and CEO

"We dream of a yard to play in and a home to make beautiful memories in. Faith and Love."
